

NATIONAL CROP HAIL DIRECTOR

Agriserve, Inc., the nation's fastest growing provider of crop insurance has an immediate full time opening for a National Crop Hail Director.

This position is responsible for management of the Crop Hail Department, which includes managing underwriting activities and policyholder services, auditing crop hail claims, preparing all legal and/or regulatory crop hail filings, and overseeing work allocation and employee supervision. Position is also responsible for ensuring agent support for sales and service.

Candidates should have a minimum of a Bachelor's degree and at least 3-4 years as a Crop Insurance Underwriter or related insurance industry experience in crop hail insurance. Must also have knowledge of agronomic concepts and application along with production agriculture, excellent managerial and organizational skills, and strong oral and written communications skills.

Agriserve is located in Findlay, IL, and offers a competitive salary, benefits, and retirement plan and features a unique work environment.

Agriserve, Inc. is an Equal Opportunity Employer.
